

Hear what those who have found success with Today's Bride have to say...

"I wanted to send you a quick e-mail to let you know the magazine looks fabulous! We couldn't be happier! The placement of the ad is great, and the colors looks awesome!

We had a couple contact us the first day the magazine was out and booked a day later. The couple said they loved our ad so they went to our site and loved that too! Our inquiries have increased as well. Thank you!"

"I can't say enough about my dealings with your company. You guys know what you're doing and I appreciate all of your advice and your assistance. You go above and beyond what any advertising company would ever be expected to do. I can't thank you enough. Here's to another great year!"

– **Joe, Big Ear Entertainment**

"We really appreciate all your help and – even better – your cheerful disposition! The entire Today's Bride team is so positive, and that's exactly the kind of energy we all got in the bridal business for to begin with."

"Just wanted to send you a big thanks for putting on such great bridal shows the last two weeks. We already have brides come in from both shows and are so grateful to you for helping boost our bottom line! You are always a pleasure to work with and I look forward to continuing our relationship. Thanks again guys!"

"I just wanted to thank you for all of the help you gave me with the show! I think it went great! I kept a notebook with a list of all of the people that definitely want me to follow-up with them – and ended up with over 4 pages filled with names! You guys were so easy to work with!"

"I just wanted to send you a quick note to Thank everyone for all their hard work at the show on Sunday. It was the best run bridal show I have been at! Everyone was a great help and very friendly. We have had many contacts this week so far for information and meetings - YEAH!!"

– **Christopher and Julie First, Z Media**

"The response from yesterdays show has been incredible. It was a great show!! Our business just keeps growing and growing and we owe a lot of it to Today's Bride. We are constantly bombarded by other companies wanting us to do bridal shows and bridal advertising and they all say the same thing....'don't put your eggs all in one basket'.

Well, all of our advertising is with Today's Bride and we plan to keep it that way. Why risk changing it up when we are already getting excellent results with you guys?!?!"

– **Stephanie Knirk, Paper Persuasions**

"We want to Thank You for helping make yesterdays bridal show the best ever! We have already gotten an overwhelming response from the brides that were there. We are looking forward to working with you in the future."

– **Steve & Colleen Cipriano, Cipriano Productions**

"Just a quick note to you and the staff at Today's Bride to let you know how effective your website has been to marketing Executive Caterers. I have to say that we close to 100 visits/mo...these are people directly coming from your site to ours. AND time and again these leads turn into exceptional weddings. Thanks!"

– **Nick Borelli, Executive Caterers at Landerhaven**

"Just wanted to drop a quick note to say thank you for everything - yesterday was amazing and we were simply blown away by the experience. Our Travel Agents working the booth were very pleased, and we were so proud of our booth design.

Can't wait to see what January brings... we are so happy to be partnered with Today's Bride."
