How many years of wedding experience?			
Have you won any awards?			
Do you belong to any national or local professional videography associations?			
Who will actually be videotaping my wedding?			
Will there be an assistant on hand to help as well?			
What form will the final video be in (DVD, VHS?) Is a case provided?			
Do you have a standard scene/setup list?			
Can I see samples of the videographer's work who is shooting my wedding?			
Will you interview the wedding party and guests during the reception?			
Have you taped a wedding at my ceremony and/or reception location before?			
How will you coordinate with the other wedding services?			
How many hours prior to the ceremony will you arrive?			
How will you dress for the day?			
What type of camera do you use?			
How many cameras do you bring? Will there be a backup?			
How new is the equipment?			
Do you provide one or two camera coverage?			
What is the average length (time) of the final video?			
Can we purchase a complete unedited version?			
When is the deposit and final payment due?			
How long does it take to get final video after wedding?
